## Super Bowl LI Drinking Game

Since it's Super Bowl Sunday and us as American citizens have an obligation to watch the Super Bowl (typically with Tom Brady featured in it), eat some food that the lovely women in our lives have worked hard to cook for us and of course drink a shitload of beers... What's more fun than drinking with a real purpose? Such as a drinking game? Well, us at the Roto Street Journal are here to help.

**Tip:** There are a lot of rules, so print this out and pass it out to everyone at your party and maybe assign a section of a few rules to each person.

### Drink one gulp when:

- The Patriots run out of the tunnel as a team \*tear streams down face\*
- A player visibly cries during the National Anthem
- **Roger Goodell** is shown on TV
- A local **Boston celebrity** or **Bon Jovie** is shown in **Kraft's luxury box**
- **Arthur Blank** is shown on TV
- The **Georgia Dome** closing is mentioned
- **Aikman** brags about playing in a Super Bowl
- **Dan Quinn** is mentioned as the former **Seahawks Defensive Coordinator**
- **Brady** and **Belichick's** "7th Super Bowl" appearance is mentioned
- "**Bracket coverage**" or "**safety over the top**" on **Julio Jones** is mentioned
- A ball carrier signals the "**first down**" motion with his arm/hand
- **Julian Edelman** talks shit to an **Atlanta Falcons** defender
- **Either team** records **25-plus** yards on a play
- **Julio Jones** gains **15-plus** yards on a reception
- **Julian Edelman** gains **first down** yardage
- **Malcolm Butler** breaks up a pass (and tells the receiver about it)
- **Tevin Coleman** or **Devonta Freeman** record a reception
- **Dion Lewis** or **James White** record a reception

### Drink two gulps when:

- **Tom Brady** screams "LETS GO!" (you also have to change your pants after)

- **Chris Hogan** playing lacrosse in college is mentioned
- **Chris Long** and any of his family members are mentioned in the same sentence
- **Buck** mentions his lover, **Aaron Rodgers**
- "DeflateGate" is mentioned
- "Rutgers" is mentioned
